

2010 Pillars of the Community A Call for Nominations!

Every year our district is lucky enough to have parents, teachers, staff, and community volunteers give of their time, skills, and creativity to our schools. Many programs would not exist if it were not for this formidable group of volunteers, "the Pillars of our Community."

The Honorary Service Awards (HSAs) as well as the **School Service Awards (SSAs)** are our way of recognizing those individuals who have contributed in an extraordinary way to our District. Each school PTO, the MPAEF, and the PTO District Council will select honorees for this school year but we need your help. The HSA and the SSA Nominating Committees rely heavily on nominations from parents, teachers, and staff for each of these awards. To help inspire you, the two categories of awards are described below.

Honorary Service Awards (HSAs) give special recognition to parents, teachers, administrators, staff members or community volunteers who have given outstanding and comprehensive service to Menlo Park students and our schools.

School Service Awards (SSAs) are focused on volunteers at a particular school. Awards are given to individuals who have run major events for the school and who have contributed for several years to the day-to-day education of our children.

Please submit your nominations to the school office by Friday, April 17th, by e-mail to Carla Posthauer (pto_president@laurelpto.org) or by printing this form and putting in the PTO crate, in the President's folder (in an envelope, please).
